

New York Stock Market

New York, November 23.—The upward movement of stocks was resumed in the afternoon, and today after a period of hesitation. During the forepart of the day the list was lifeless and dull, with an inclination toward heaviness, although the level of prices changed but little. In the afternoon, for no obvious reason, the tide turned, and an upward movement in prices was inaugurated in the market. Prices were marked up in every quarter, although the movement was chiefly among the railroad stocks, when the day was ended prominent railroad issues showed an advantage of 1 to 2 points, with a sprinkling of larger advances elsewhere in the list, running up to 3 points.

Union Pacific was brought to the front by the bulls to lead their movement. In the latter part of the day the stock was bought in large amounts and was forced above 178, an advance of more than 2 points.

The movement among the Southern railroad stocks, which for several days had been unusually active, was continued in the afternoon, and the most conspicuous by reason of reports of an increase in the stock and rose more than 1 point. Atlantic Coast Line continued its advance, and ended nearly 3 points, and Southern Railway preferred and Illinois central developed strength. Interest has been attracted to the Southern stocks on account of the large earnings of these lines, the degree of prosperity which the South has enjoyed, and recent increases of dividends by several of these roads.

United States Steel participated moderately in the upward movement, and was not affected by the movement that some further reductions had been made in prices of finished steel products. The export movement of gold was continued to 4 o'clock.

The bond market was firm, with an active inquiry for Atlantic Coast Line and Union Pacific issues. Total sales (par value), \$2,963,000. United States bonds unchanged on call.

Total sales of stocks for the day were \$1,000,000, including Sugar, 75,000; Tobacco, 2,200; Atlantic Coast Line, 7,000; Chesapeake and Ohio, 5,200; Louisville and Nashville, 13,600; Norfolk and Western, 4,100; Reading, 75,400; Southern Railway, 25,700; Southern preferred, 4,800; Union Pacific, 126,000; United States Steel, \$4,300.
